THE SUTTON'S FAMILY ITALIAN STORY. Like all great stories, this one started a long time ago in Italy with the Mastarone family and a long tradition of cooking for others and sharing a passion for great Italian food. As all families do, this family grew and moved from Italy to other points, including the United States and eventually Kentucky. As luck would have it, Mamma Mastarone's grandson Gordon shares the family's love for food. Gordon Lewis has been serving Central Kentucky and the Midwest in restaurants for over 38 years. Close your eyes and travel back in time to when everyone knew their baker and milkman and had ice delivered for the ice box.
